

Baby Don't Cry

(adapted from Don't Cry and other material)

Looking into my eyes
And talk to me softly
Baby don't cry tonight
'Cause you know the truth
The truth is I always loved you

You know I made mistakes
I'm just a man
Don't you take it so hard
And don't take it so bad
So please forgive me

Baby don't cry tonight
Knowing I'll still be thinking of you
And the time we had at Hotel Beverly Hills
You tossed the hat into the ring twice
It was sweet surrender my princess
You were next to the throne
So you know how much I treasure your love

Babe don't cry tonight
Don't you cry tonight
Don't you cry tonight
There's heaven above you
And angels will unfold their wings
Taking us higher than an eagle can fly

One night I put out the mating call
But they whispered and harassed you
You pretend it was over
But there were hints and little moves
That made me believe you still loved me
There was never any doubt
I apologise I ignored your *tweets*

But now you gotta make your own way
'Cause Jack rules with an iron clad fist
When I heard "Thriller" and "Sweet Child of Mine"
It made me jumpy and ever growing need for Valium
I had to leave the Chamber
That was the night the music died

Babe don't cry tonight
Don't you cry tonight
Don't you cry tonight
There's heaven above you
And angels will unfold their wings
Taking us higher than an eagle can fly

Baby don't cry
The truth is my soul never left the Chamber
All through my wild days
My mad existence
I kept my promise
I will always love you babe

Baby don't cry
You'll feel better tomorrow
Knowing I'm back in Beverly Hills
I've sworn that I'll take a stake at the Chamber
On the last Sunday of the month
To perform a mid-day special
For the next 10 years, perhaps

Babe don't cry tonight
Don't you cry tonight
Don't you cry tonight
There's heaven above you
And angels will unfold their wings
Taking us higher than an eagle can fly

And angels will unfold their wings
Taking us higher than an eagle can fly
