

# Keep the Faith

---

(Poem and Song Lyrics)

The porkies and the messenger boy are restless  
They are casting doubts in your mind  
Baby I ain't crazy as they say I'm  
They poison your mind with swords and guillotines  
And that I may knock myself over prematurely

I work during the day as a healer  
A doctor who treats newborn to the Octogenarian  
The House of Lords wouldn't let me practice  
Unless they know I have my head firmly planted on my neck  
So keep the faith, baby  
I ain't crazy as they say I'm

I won't ever knock myself over  
For I love life too much  
I'm still standing after all those years  
I'll be the last man standing until the end of time  
So keep the faith, baby  
I ain't crazy as they say I'm

The future is yours to decide  
Spend a good 30 years with Dr. Love  
There shall be no grog, no pot, no TAB, no DVO  
For that is guaranteed  
So keep the faith, baby  
I ain't crazy as they say I'm

Sure I have my little highs and little lows  
Sure I have little flirting thoughts every now and then  
For I have not hurt any body  
For I have not ponder on self-harm  
So keep the faith, baby  
I ain't crazy as they say I'm

Sure I have been loitering at Hotel Beverly Hills for all these years  
Sure I have been trying to romance bartenders  
For I have not harassed anyone  
For I have not stalked anyone  
So keep the faith, baby  
I ain't crazy as they say I'm

Then there is the messenger boy  
For he never seem to give up  
For he reminds you Dr. Love is older than your old man  
But that's not the heart of the matter  
I'll still be chasing tennis balls in 30 years  
So keep the faith, baby  
There is still time for us to have a baby

I've been writing a memoir for all this years  
Knowing it will finish soon  
I'll be back at the gym and tennis  
And the porkies will be jealous at my new body image  
Dr. Love would be en vogue again  
So keep the faith, baby  
I'll be back stronger and more beautiful

I've been told to stop attending tango classes  
They say it's a waste of time  
For the ballerina has already made up her mind  
But I don't think so  
There is still time to change the path you are on  
So keep the faith, baby  
There is still time for us to have a baby

So keep the faith, baby  
FINE LEG awaits you  
America, Europe and China await you  
So call Dr. Love  
Before the porkies and the messenger boy carve us apart

So keep the faith, baby  
I ain't crazy as they say I'm

So keep the faith, baby  
I ain't crazy as they say I'm

So keep the faith, baby  
Keep the faith
