

# Old Doc

---

(adapted from various songs)

I can't get no satisfaction  
I can't get no satisfaction  
And I try, and I try, and I try, and I try  
I can't get no  
I can't get no

A man comes on the radio  
Suggests I should try some Viagra  
But that's beyond point  
'Cause I'm all alone in this cold world  
In fact I have no problem with my old friend  
Thank you very much Mister

It's better to have an old doctor in the house  
Than no doctor at all  
Hey, hey, hey  
That's what I say

A man comes on the TV  
Tells me I should get on with my life  
But that's not the point  
'Cause the man doesn't know  
How loneliness could kill  
Thank you very much Mister

My expectation is high, I blame it on my youth  
Sooner or later, I'll learn the painful truth  
That real love is hard to find  
When one grows grey and old  
But love has no boundary  
'Cause a good heart is hard to find  
So please be gentle with the heart of mine

It's better to have an old doctor in the house  
Than no doctor at all  
Hey, hey, hey  
That's what I say

This old doc is bleeding  
You can see his blood  
He's made mistakes, you all know  
But this old doc ain't gonna give up  
Spend 30 good years with a gentle heart  
And you'll be living in heaven and paradise  
No pot, no neglect, no abuse, no domestic

But I may be wrong or I may be right  
I heard a lot of stories, I know they are true  
High is the risk getting hurt  
And get left behind with a son and a daughter  
To mind by yourself  
So be brave baby and stop listening to the lies  
The old doc won't let you down

It's better to have an old doctor in the house  
Than no doctor at all  
Hey, hey, hey  
That's what I say

It's better to have an old doctor in the house  
Than no doctor at all  
Hey, hey, hey  
That's what I say

Yeah, yeah, yeah

Hey, hey, hey  
That's what I say
