

# You Are the One

---

I've been waiting for so long  
It's been 15 years since I landed at the gate  
Of the Chamber  
Once I was the King of Hotel Beverly Hills  
Till the night the music died  
I've been on a sabbatical from the Chamber  
Till this Valentine's Day  
Where I made my pledge for the mid-day special  
Then I saw your pretty face  
Our eyes locked onto each other

You are the one I need  
You are the one I want  
You are the one I commit  
You are the one I devote

Things could have been different  
If it wasn't for that inferno  
Things could have been different  
If it wasn't for the night the music died  
Things could have been different  
If it wasn't for my mental metamorphosis  
But my lord these were all blessings in disguise  
Now I've found the one I've been looking for

You are the one I need  
You are the one I want  
You are the one I commit  
You are the one I devote

Where to next my Lord that is the question  
How do you start a love  
If you don't know how to end a love?  
For you are so young and beautiful  
For I'm so much older and none the wiser  
For you live in tranquillity  
For I struggle with little highs and little lows  
But I have made up my mind

You are the one I need  
You are the one I want  
You are the one I commit  
You are the one I devote

I know you will be my babe  
'cause you have heard my good deeds  
Commitment and devotion were my banners  
'cause you accept I made mistakes  
I'm just a man  
'cause you know you are my cure  
For eternal love and happiness  
So baby I'm going to make the call

You are the one I need  
You are the one I want  
You are the one I commit  
You are the one I devote

You are the one I commit  
You are the one I devote
