84. Which pokie machine does Dr. Love spend most of his time on at the Comedy Club, L.A., and why?

- a. the one nearest to the fire exit because once burnt twice shy.
- b. the one nearest to the fire exit which is also the nearest to the coffee machine.
- c. the one nearest to the fire exit because it's easily seen from the bar.
- d. the one nearest to the fire exit because that's where Juliet usually plays her game.
- e. the one farthest from the fire exit because at the next fire Romeo should be the last to leave.

(answer: c.)

Position is everything. Answers d. & e. may be the obvious choices after the HBH inferno when Romeo escaped, left Juliet stranded. Dr. Love has not met the Angel since.)

91. What would a record deal be worth for the Dr. Love Band?

- a. \$1+ million USD
- b. \$5+ million USD
- c. \$10+ million USD
- d. \$20+ million USD
- e. \$200+ million USD

(answer: e.)

A 10 year \$200 million plus record deal is not unreasonable, considering Dr Love will be performing in the Middle Kingdom with a population of 1400 million. That's not including the English speaking world or revenues from merchandise, fashion labels, beverage, autobiography, speaking tours, cartoon books, TV shows and movies. Of course that is assuming record company executives see Dr. Love as Dr. Love sees himself.)

92. What should the title of Dr Love's fiction novel be?

- a. Dr. Love
- b. Dr. Con Love
- c. Dr. Ron Love
- d. Dr. Loveless

(answer: a.)

93. What would be a good title for a Dr. Love's TV series?

- a. Dr. Love and the Medicine Show
- b. Dr. Love's Angels
- c. The Doctor Love Boat
- d. Dr. Love's Surface Anatomy
- e. any of the above

(answer: e.)

Dr. Love wears glasses but can't grow a beard. That's as close as Dr. Love would get to Dr. Hook (and the Medicine Show). As to a Charlie's Angels' or a Love Boat's sequel, Dr. Love wouldn't say no. Surely Dr. Love's surface anatomy would beat Gray's Anatomy on any given day. The muscle bulges and curves through those tight Versace T-shirts and jeans are real. Correct at the time of writing- 2008.)
